Table of Contents

Pt. 1. On Being Edentulous
   The Edentulous Predicament
      George A. Zarb
   Biomechanics of the Edentulous State
      George A. Zarb
   The Effects of Aging on the Edentulous State
      Michael I. MacEntee
   Sequelae Caused by Wearing Complete Dentures
      Ejvind Budtz-Jorgensen
   Temporomandibular Disorders in Edentulous Patients
      Thuan Dao
   Nutrition Care for the Denture-Wearing Patient
      Mary P. Faine

Pt. 2. Preparing the Patient for Complete Denture Treatment
   Diagnosis and Treatment Planning for Edentulous or Potentially Edentulous Patients
      Douglas V. Chaytor
   Preprosthetic Surgery: Improving the Patients' Denture-Bearing Areas and Ridge Relations
      George A. Zarb, S. Ross Bryant
   Immediate Dentures
      Nancy S. Arbree
   Overdentures
      George A. Zarb, Rhonda F. Jacob, John P. Zarb
   Building Rapport: The Art of Communication in the Management of the Edentulous Predicament
      Howard M. Landesman
   Materials Prescribed in the Management of Edentulous Patients
      Randa R. Diwan

Pt. 3. Rehabilitation of the Edentulous Patient: Fabrication of Complete Dentures
   Developing an Analogue/Substitute for the Maxillary Denture-Bearing Area
      David M. Davis
   Developing an Analogue/Substitute for the Mandibular Denture-Bearing Area
      David M. Davis
   Identification of Shape and Location of Arch Form: The Occlusion Rim and Recording of Trial Denture Base
      George A. Zarb, Yoav Finer
   Biological and Clinical Considerations in Making Jaw Relation Records and Transferring Records from the Patient to the Articulator
      James D. Anderson
   Selecting and Arranging Prosthetic Teeth and Occlusion for the Edentulous Patient
      Aaron H. Fenton
   The Try-in Appointment
      Charles L. Bolender
   Speech Considerations with Complete Dentures
      Stig L. Karlsson
   Waxing and Processing the Dentures, Their Insertion, and Follow-up
      Rhonda F. Jacob, George A. Zarb, Charles L. Bolender
   Single Dentures
      Alan B. Carr
   The Retention of Complete Dentures
      Kenneth Shay
   Maxillofacial Prosthodontics for the Edentulous Patient
      Rhonda F. Jacob
   Prolonging the Useful Life of Complete Dentures: The Relining Procedure
      George A. Zarb, Rhonda F. Jacob

Pt. 4. Implant Prosthodontics
   Implant-Supported Prostheses for Edentulous Patients
      George A. Zarb, Steven E. Eckert, Regina Mericske-Stem
