Instrumentation for the Operating Room: A Photographic Manual

Tighe, Shirley M. RN, BA

Table of Contents

Instrumentation for the Operating Room, 8 Edition
A Photographic Manual
By Tighe

Table of Contents:

Unit One: Instrument Preparation for Surgery
1. Care and Handling of Surgical Instruments
2. Sterilization Container Systems

Unit Two: General Surgery
3. Operating Room Suite/Basic Laparotomy
4. Abdominal Self-Retaining Retractors
5. Extra Long Instruments
6. Skin Staplers
7. Small Laparotomy Set
8. Minor Laparoscopic Set
9. Laparoscopy
10. Laparoscopic Adult MIS Set
11. Laser Laparoscope
12. Laparoscopic Cholecystectomy
13. Cholecystectomy
14. Laparoscopic Bowel Resection
15. Bowel Resection
16. Sigmoidoscopy
17. Hemorrhoidectomy and/or Pilonidal Cystectomy
18. Laparoscopic Gastric Banding
19. Laparoscopic Gastric Bypass
21. Breast Biopsy/Lumpectomy
22. Mastectomy
23. Vascular Access Device Insertion

Unit Three: Female Reproductive Surgery
24. Dilatation and Curettage of the Uterus (D and C)
25. Hysteroscopy
26. Abdominal Hysterectomy
27. Supracervical Laparoscopic Hysterectomy
28. Vaginal Hysterectomy
29. Laparoscopic Tubal Occlusion
30. Microtuboplasty

Unit Four: Genitourinary Surgery
31. Cystoscopy
32. Nephrectomy and Ureteroplasty
33. Urethroscopy
34. Prostatectomy
35. Transurethral Resection of the Prostate (TURP)
36. Vasectomy
37. Kidney Transplant

Unit Five: Orthopedic Surgery
38. Basic Orthopedic Surgery
39. Soft Tissue Set
40. Power Saws and Drills, Battery Powered
41. Small Joint Arthroscope Set
42. Arthroscopic Carpal Tunnel Instruments
43. Small/Minor Joint Replacement
44. Total Ankle Prosthesis
45. Arthroscopy of the Knee
46. Arthroscopic Anterior Cruciate Ligament Reconstruction with Patellar Tendon Bone Graft Instruments
47. Total Knee Replacement
48. Total Knee Prosthesis
49. Shoulder Surgery Instruments
50. Hip Fracture
51. Hip Retractors
52. Total Hip Replacement
53. Total Hip Instruments (Zimmer-VerSys)
54. Total Hip Prosthesis (VerSys Hip System)
55. Spinal Fusion with Rodding
56. Long Bone Rodding for Fracture Fixation
57. ASIF Universal Femoral Distractor Set
58. Synthes Retrograde/Antegrade Femoral Nail
59. Synthes Unreamed Tibial Nails
60. Synthes Unreamed Tibial Nail Insertion and Locking Instruments
61. External Fixation of Fractures
62. ASIF Pelvic Instrument Set
63. ASIF Mini Fixation Set
64. Surgery on Pediatric and Small-Statured Patients

Unit Six: Eye, Ear, Nose, and Throat Surgery
65. Basic Eye Set
66. Cataract Removal
67. Clear Corneal Set
68. Corneal Transplant
69. Deep Lamellar Endothelial Keratoplasty (DLEK)
70. Glaucoma
71. Eye Muscle Surgery
72. Retinal Detachment
73. Vitrectomy
74. Keratoplasty
75. Oculoplastic Instrument Set
76. Dacrocystorhinotomy (DCR)
77. Orbital Instruments
78. Eye Enucleation
79. Myringotomy
80. Basic Ear Set
81. Tympanoplasty
82. Tonsillectomy and Adenoidectomy (T and A)
83. Septoplasty (SMR) and Rhinoplasty
84. Nasal Polyp Instruments
85. Nasal Fracture Reduction
86. Sinus Surgery

Unit Seven: Oral, Maxillary, and Facial Surgery
87. Facial Fracture Set
88. Orthognathic Surgery
89. Titanium 2.0-mm Micro-Fixation System
90. Tooth Extraction Set

Unit Eight: Plastic Surgery
91. Minor Plastic Set

92. Skin Graft

Unit Nine: Peripheral Vascular, Cardiovascular, and Thoracic Surgery

93. Endarterectomy

94. Endovascular Abdominal Aortic Aneurysm Repair

95. Abdominal Vascular Set (Open Procedure)

96. Tracheotomy

97. Thoracoscopy

98. Thoracic Instruments

99. Cardiac Surgery

100. Open Heart Microinstruments

101. Sternal Saws and Sternum Knife

102. Open Heart Extras

103. Cardiovascular Instruments

104. Open Heart Valve Extras

105. Return Open Heart Set

106. Vein Retrieval Instruments

107. Radial Artery Harvest Set

Unit Ten: Pediatric Surgery

108. Pediatric Neonatal/Infant Laryngoscope and Bronchoscopy Set

109. Pediatric Chest Instruments

110. Pediatric Vascular Instruments

111. Pediatric Laparoscopic (MIS) Set

112. Pediatric Pyloromyotomy Laparoscopic (MIS) Set

Unit Eleven: Neurosurgery

113. Craniotomy

114. Neurologic Bone Pan Instruments

115. Neurologic Retractors

116. Medtronic Midas Rex Electric Drill

117. Rhoton Neurologic Microinstrument Set

118. CUSA Handpieces

119. Neurologic Shunt Instruments

120. MINOP Neuroendoscopy Set

121. ICP Monitoring Tray

122. Yasargil Aneurysm Clips with Appliers
123. Synthes Low-Profile Cranial Plating Set
124. Laminectomy
125. Williams Laminectomy Microretractors
126. Anterior Cervical Fusion
127. Casper Set
128. ASIF Anterior Cervical Locking Plating Instruments
