Table of Contents

Contributing Authors
Preface
Acknowledgments

Sect. I. General Considerations
Ch. 1. Special Considerations in the Assessment of the Pediatric Otolaryngology Patient
    David J. Beste
Ch. 2. Adenotonsillar Disease in Children
    Linda Brodsky
Ch. 3. Central and Obstructive Apnea
    Michael A. Rothschild
Ch. 4. Assessment of Speech and Language Disorders in Children
    Ann W. Kummer
Ch. 5. Pediatric Voice Disorders
    Angie J. Pengilly
Ch. 6. Sialorrhea
    C. Martin Bailey
Ch. 7. Clinical Genetics in Pediatric Otolaryngology
    Maria A. K. Bitner-Glindzicz
Ch. 8. Chronic Cough
    Lauren D. Holinger
Ch. 9. Immunodeficiency Disorders
    Michelle B. Lierl
Ch. 10. Anesthesia
    Adrian R. Lloyd-Thomas
Ch. 11. Outcomes Research for the Practicing Physician
    Richard M. Rosenfeld

Sect. II. Ear and Temporal Bone
Ch. 12. Hearing Assessment in Infants and Children
    N. Wendell Todd
Ch. 13. Congenital and Acquired Hearing Loss: Etiology and Management
    N. Wendell Todd
Ch. 14. Diagnosis and Management of Otitis Media with Effusion
    Margaret A. Kenna
Ch. 15. The Child With Vertigo
    Susan Snashall
Ch. 16. Surgical Considerations in Chronic Otitis Media
    William P. Potsic
Ch. 17. Aural Rehabilitation for Hearing-Impaired Children
    Gayle P. Riemer, Jodi K. Paetsch
Ch. 18. Congenital and Acquired Facial Paralysis
    Rick A. Friedman
Ch. 19A. Controversies in Cochlear Implantation: Ethical Issues
    Annelle Hodges, Thomas J. Balkany
Ch. 19B. Controversies in Cochlear Implantation: Technical and Surgical Considerations
    Richard T. Miyamoto, Karen Iler Kirk
Ch. 20. Bone-Anchored Hearing Aids and Ear Prostheses
    David W. Proops
Ch. 21. Audiometric Screening
    Gayle P. Riemer
Ch. 22. Imaging of the Ear in Children
    Peter D. Phelps

Sect. III. Sinonasal Conditions
Ch. 23. Allergic Rhinitis
    Gail G. Shapiro
Ch. 24. Medical Treatment of Rhinosinusitis in Children
    Evelyn A. Kluka
Ch. 25. Surgical Therapy for Sinusitis and Its Complications
Ch. 26. Epistaxis
    Bradley F. Marple

Ch. 27. Nasal Obstruction in Infancy
    Harvey L. Coates

Sect. IV. Airway
Ch. 28. Evaluation of the Noisy Infant
    Yoram Stern, Robin T. Cotton

Ch. 29A. Evaluation of the Pediatric Airway by Rigid Endoscopy
    Peter D. Bull

Ch. 29B. Evaluation of the Pediatric Airway by Flexible Endoscopy
    Pierre A. Vauthy

Ch. 30. Congenital Anomalies of the Larynx
    Robin T. Cotton, Christopher A. J. Prescott

Ch. 31. Acquired Anomalies of the Larynx and Trachea
    David L. Walner, Robin T. Cotton

Ch. 32. Neoplastic Disorders of the Larynx and Trachea
    Gerald B. Healy

Ch. 33. Inflammatory Diseases of the Pediatric Airway
    Charles M. Myer III

Ch. 34. Aerodigestive Tract Foreign Bodies
    Sharon E. Gibson

Ch. 35. Tracheotomy in the Pediatric Patient
    J. Scott McMurray, Christopher A. J. Prescott

Ch. 36. Caustic Ingestion
    Lauren D. Holinger

Ch. 37. Feeding Disorders in Children
    J. Paul Willging, Claire K. Miller, Colin D. Rudolph

Ch. 38. Vocal Cord Paralysis
    Robert G. Berkowitz

Ch. 39. Tracheobronchomalacia
    David Albert

Ch. 40. Recurrent Respiratory Papillomatosis
    Craig S. Derkay

Sect. V. Head and Neck
Ch. 41. Congenital Malformations of the Head and Neck
    Michael J. Cunningham

Ch. 42. Neoplastic Disorders: Benign and Malignant
    Michael J. Cunningham

Ch. 43. Salivary Disease in Children
    Sally R. Shott

Ch. 44. Deep Neck Infections: Recognition, Evaluation, Therapy
    Andrew J. Hotaling

Sect. VI. Plastic and Reconstructive Surgery
Ch. 45. Craniofacial Skeletal Trauma in Childhood
    Peter J. Koltai

Ch. 46. Blunt and Penetrating Neck Trauma in Children
    Erea-Noel Garabedian, Denis Ayache

Ch. 47. Pediatric Facial Soft Tissue Trauma
    Kevin A. Shumrick

Ch. 48. Unilateral Cleft Lip
    Craig W. Senders, Jonathan M. Sykes

Ch. 49. Cleft Palate
    Jonathan M. Sykes, Craig W. Senders

Ch. 50. Assessment and Management of Velopharyngeal Insufficiency
    J. Paul Willging, Ann W. Kummer

Ch. 51. Otolaryngologic Manifestations of Down Syndrome
    Sally R. Shott

Ch. 52. Management of Craniosynostosis
    Lawrence J. Marentette

Ch. 53. Auricular Reconstruction
    Jonathan M. Sykes

Ch. 54. Otoplasty
    Vito C. Quatela, Mark A. Clymer

Ch. 55. Congenital Vascular Lesions of the Head and Neck
    Milton Waner, C. M. Bower

Appendix. Difficult Cases in Pediatric Otolaryngology
Management of Frontal Sinusitus
Thomas M. Andrews
Laryngeal Trauma
  Thomas M. Andrews
Laryngeal Cleft
  George H. Zalzal
Laryngomalacia
  George H. Zalzal
Congenital Tracheal Rings
  George H. Zalzal
Vocal Cord Paralysis
  Sukgi S. Choi
Thyroglossal Duct Cyst
  Sukgi S. Choi
Sialorrhea and Aspiration
  Brian J. Wiatrak
Sigmoid Sinus Thrombosis
  Brian J. Wiatrak
Membranous Tracheitis
  Brian J. Wiatrak
Laryngeal Saccular Cyst
  Brian J. Wiatrak
Allergic Fungal Sinusitis
  Brian J. Wiatrak
Orbital Subperiostal Abscess
  Brian J. Wiatrak
Penetrating Injury of the Carotid Artery
  Kenneth M. Grundfast
Subject Index
