Clinician's Guide to Assistive Technology

Olson, Don A. PhD

Table of Contents

Pt. 1. Assistive Technology Principles
  Introduction
  Lawrence H. Trachtman
  Ch. 1. Matching Consumers with Appropriate Assistive Technologies
  Marcia J. Scherer
  Ch. 2. Contexts: Assistive Technology at Home, School, Work, and in the Community
  Diane Nelson Bryen, Amy S. Goldman
  Ch. 3. Human Factors and Environmental Access
  Michael L. Jones
  Ch. 4. Service Delivery in Assistive Technology
  Jean L. Minkel
  Ch. 5. Outcomes and Performance Monitoring
  Frank DeRuyter
  Ch. 6. Funding and Public Policy
  Kathleen Gradel

Pt. 2. Technologies for Information, Communication, and Access
  Introduction
  Peggy Barker
  Ch. 7. Computer Access
  Jutta Treviranus, Linda Petty
  Ch. 8. Information Technologies
  Peggy Barker
  Ch. 9. Augmentative and Alternative Communication
  Judy Henderson, Molly Doyle
  Ch. 10. Integrated Systems
  Kevin Caves
  Ch. 11. Sensory Aids: Vision
  Diane C. Bristow, Gail L. Pickering
  Ch. 12. Sensory Aids: Hearing Assistive Listening Aids and Signaling Devices for the Hearing Impaired
  Alice E. Holmes

Pt. 3. Technologies for Manipulation
  Introduction
  Jack E. Uellendahl, Dudley S. Childress
  Ch. 13. Seating Intervention and Postural Control
  Jessica Presperin Pedersen, Michelle L. Lange, Cheryl Griebel
  Ch. 14. Upper Limb Orthotics
  Julie Edwards, Laura B. Fenwick
  Ch. 15. Adaptive Aids for Accessing Technology
  Christine R. Jasch
  Ch. 16. Upper-Limb Prosthetics
  Craig W. Heckathorne
  Ch. 17. Robotics and Manipulators
  Richard F. ff. Weir

Pt. 4. Technologies for Mobility and Locomotion
  Introduction
  Carol A. Sargent
  Ch. 18. Lower Limb Prosthetics
  Mark L. Edwards
  Ch. 19. Wheelchair Mobility
  David Kreutz, Susan Johnson Taylor
  Ch. 20. Spatial Orientation and Individuals with Visual Impairments
  Richard G. Long
  Ch. 21. Driver Evaluation and Vehicle Modification
  Jurgen Babirad
  Ch. 22. Lower Limb Orthotics
  Thomas V. DiBello

Pt. 5. Technologies for Environmental Access
Introduction

Michael L. Jones

Ch. 23. Environmental Access in the Workplace
James Mueller

Ch. 24. Home Environments, Automation, and Environmental Control
Michael L. Jones, Jon Sanford

Ch. 25. Adaptive Aids for Self-Care and Child Care at Home
Christine R. Jasch

Ch. 26. Recreation and Play Environments
Susan M. Goltsman
