Current Therapy in Equine Medicine
Robinson, N. Edward PhD

Table of Contents

Section I Clinical Pharmacology

Chapter 1 Adverse Drug Reactions Jennifer L. Davis
Chapter 2 Non-Steroidal Anti-Inflammatory Drugs Anthony T. Blikslager
Chapter 3 Update on Common Antibiotics K. Gary Magdesian
Chapter 4 Systemic Chemotherapy for Oncologic Diseases Teresa Burns, C. Guillermo Couto
Chapter 5 Fluphenazine Toxicosis Michael Brashier
Chapter 6 Field Anesthesia Craig A. Mosley
Chapter 7 Fluphenazine Toxicosis Michael Brashier
Chapter 8 Anesthesia and Sedation of Miniature Horses Nora S. Matthews, Carin Ponder

Section II Medico-Legal

Chapter 9 Reading and Interpreting Scientific Literature Philip H. Kass
Chapter 10 Equine Insurance Ronald Kirk, T. Douglas Byars
Chapter 11 Protecting Yourself with Medical Records Margaret L. Neterer, Patricia Oâ€™Handley
Chapter 12 The Unwanted Horse: An Overview of the Issue Tom R. Lenz
Chapter 13 Field Necropsy Kurt Williams

Section III Nutrition

Chapter 14 Nutritional Management of the Starved Horse Iveta Becvarova, Craig Thatcher
Chapter 15 Dietary Management of the Obese Horse Ray J. Geor, Pat Harris
Chapter 16 Updates to the Nutrient Requirements of the Horse: NRC 2007 guidelines Laurie M. Lawrence
Chapter 17 Antioxidants and Horse Health Pierre Lekeux, Nathalie Kirschvink
Chapter 18 Nutritional Factors in Developmental Orthopedic Disease Brian D. Nielsen
Chapter 19 The Pros and Cons of Probiotics Veronique Julliand, Annette Zeyner
Chapter 20 Herbs and Nutraceuticals Carey A. Williams
Chapter 21 Use of Nutraceuticals for Equine Joint Disease Wayne McIlwraith
Chapter 22 Nutrition for the Critically Ill Horse Susan J. Holcombe, Elizabeth A. Carr

Section IV Behavior

Chapter 23 Headshaking Syndrome Katy Taylor, Daniel Mills
Chapter 24 Management of Stereotypic Behavior (Stable Vices) Daniel Mills
Chapter 25 Aggression in Horses Sharon Lynn Crowell-Davis
Chapter 26 Foal Rejection Katherine A. Houpt
Chapter 27 Transportation of Horses Ted H. Friend

Section V Infectious Disease

Chapter 28 Strangles, Immunology and Management John Timoney
Chapter 29 Epidemiology and Prevention of Rhodococcus Infection Noah Cohen
Chapter 30 Control of Salmonella and Nosocomial Infections Roberta M. Dwyer
Chapter 31 Rhodococcus Equi Pneumonia Nathan Slovis
Chapter 32 Lyme Disease Thomas J. Divers, Yung-Fu Chang
Chapter 33 Leptospirosis Thomas J. Divers, Yung-Fu Chang
Chapter 34 Systemic Illness Caused by Corynebacterium Pseudotuberculosis Suzanne M. Pratt
Chapter 35 Equine Viral Arteritis Peter Timoney
Chapter 36 Clostridial Diseases J. Scott Weese
Chapter 37 Methicillin-Resistant Staphylococci J. Scott Weese
Chapter 38 Lawsonia Intracellularis Enteropathy in Foals Ramiro E. Toribio
Chapter 39 Equine Herpes Virus Myeloencephalopathy Lutz S. Goehring, D. Paul Lunn

Section VI The Cardiovascular System

Chapter 40 Cardiovascular Pharmacology Colin C. Schwarzwald
Chapter 41 Management of Atrial Fibrillation Gunther Van Loon
Chapter 159 Management of Bladder Uroliths Claude A. Ragle
Chapter 160 Hematuria Jan F. Hawkins
Chapter 161 Clinical Pathology of Renal Disease Frederic S. Almy, Bruce E. LeRoy, Michelle H. Barton
Chapter 162 Diseases of the Accessory Sex Glands of the Stallion John V. Steiner
Chapter 163 Inguinal Hernia Warren Beard
Chapter 164 Conditions of the External Genitalia of Stallions John P. Hurtgen
Chapter 165 Conditions of the External Genitalia of mares Tracey Chenier
Chapter 166 Diseases of the Uterus Carlos M. Pinto
Chapter 167 Prevention of Estrus Behavior in Performance Mares Tracey Chenier
Chapter 168 Techniques for Ovariectomy and Ovariohysterectomy Thomas B. Yarbrough

Section XV Reproduction

Chapter 169 Peripartum Complications in the Mare Pamela A. Wilkins
Chapter 170 Postpartum Complications in the Mare Grant S. Frazer
Chapter 171 Artificial Insemination in Private Practice Juan C. Samper
Chapter 172 Collection and Transportation of Semen Juan C. Samper
Chapter 173 Embryo Transfer in Private Practice Juan J. Vazquez
Chapter 174 Ovarian Diseases Patrick M. McCue
Chapter 175 Problems of the Older Broodmare Michelle LeBlanc
Chapter 176 Diagnosis of Pregnancy Karen Wolfsdorf
Chapter 177 Early Embryonic Loss Kirk K. Vanderwall
Chapter 178 Placentitis Fairfield T. Bain, Walter Zent
Chapter 179 Causes of Abortion Neil M. Williams
Chapter 180 Diagnostic Approach to Abortion Neil M. Williams
Chapter 181 Managing the High-Risk Pregnancy Karen Wolfsdorf

Section XVI The Foal

Chapter 182 Rescuing Foals During Dystocia Jonathan E. Palmer
Chapter 183 Placental Evaluation for Diagnosis of Foal Problems Peter R. Morresey, Kristina G. Lu
Chapter 184 Meconium Impaction Susan J. Holcombe, Kristin P. Chaney
Chapter 185 Assays for Evaluation of Transfer of Passive Immunity Johanna L. Watson
Chapter 186 Septic Inflammatory Response Syndrome T. Douglas Byars, Elizabeth Carr
Chapter 187 Management of the Sick Neonatal Foal in the Field Fairfield T. Bain
Chapter 188 Inflammatory Bowel Disease in Foals K. Gary Magdesian
Chapter 189 Colic in Foals Susan J. Holcombe, Kristin P. Chaney
Chapter 190 Nonsurgical Urogenital Diseases Sharon Witonsky
Chapter 191 Angular Limb Deformities A. Berkley Chesen, Clifford M. Honnas
Chapter 192 Juvenile Idiopathic Epilepsy in Arabian Foals of Egyptian Linage Monica Aleman

Section XVII Miscellaneous

Chapter 193 The Geriatric Horse Mary Rose Paradis
Chapter 194 Diagnostic Approach to Chronic Weight Loss, Laureline Lecoq, Jean-Pierre Lavoie
Chapter 195 Integrative Medicine: Applications of Acupuncture Mark Chrisman, Rachel H.H. Tann
Chapter 196 Stem Cell Therapy Linda A. Dahlgren
Chapter 197 Choosing and Purchasing Laser Equipment Tom Yarbrough
Chapter 198 Hyperbaric Oxygen Therapy Nathan Slovis
Chapter 199 Maintenance of Horses in Slings Jeremy Hubert, Rebecca McConnico
Chapter 200 Nursing Care of the Recumbent Horse Jaime Miller
Chapter 201 Managing the Exhausted Horse Jami Whiting
Chapter 202 Rattlesnake Envenomation Langdon Fielding
Chapter 203 Mycotoxins Robert H. Poppenga
