About the Author  
Contributing Authors  
Acknowledgments  
Preface  

### Section I. Overview

**Chapter 1. Surgical Correction of Astigmatism**  
*Mana Tehrani MD; Nick Mamalis MD; Richard S. Hoffman, MD; I. Howard Fine, MD; Burkhard Dick, MD; and Mark Packer, MD*

### Section II. Corneal Surface Procedures in Cataract and Refractive Patients

**Chapter 2. Astigmatic Correction with Laser-Assisted Sub-Epithelial Keratectomy**  
*Johnny L. Gayton MD; Michelle Van Der Karr; Val Sanders, CRA, COT*

**Chapter 3. Treating Astigmatism with Conductive Keratoplasty**  
*Jason E. Stahl, MD; and Daniel S. Durrie, MD*

**Chapter 4. Conductive Keratoplasty: An Emerging Technology for Management of Irregular Astigmatism**  
*Marc A. Michelson, MD*

**Chapter 5. Bioptics for the Pseudophakic Patient**  
*Louis D. "Skip" Nichamin, MD*

**Chapter 6. Management of Astigmatism in Conjunction With Clear-Corneal Phaco Surgery**  
*Louis D. "Skip" Nichamin, MD*

**Chapter 7. Correction of Astigmatism in Clear-Corneal Cataract Surgery**  
*Robert M. Kershner, MD, FACS*

**Chapter 8. The Blue Line Cataract Incision and Slit Lamp Astigmatic Correction**  
*Kurt Buzard, MD, FACS*

**Chapter 9. Astigmatic Keratotomy: Arcuate and Transverse Incisions for Managing Astigmatism**  
*Anthony Lombardo, MD, PhD; and Richard Lindstrom, MD*

**Chapter 10. Reducing Pre-Existing Astigmatism with Limbal Relaxing Incisions**  
*James P. Gills, MD; R. Bruce Wallace III, MD; Kevin Miller, MD; I. Howard Fine, MD; Miles Friedlander, MD; Michael McFarland, MD; Xiaoyan Zhang, MD, PhD; Nicole S. Granet*

**Chapter 11. Minimizing Postoperative Cylinder with Peripheral Clear-Corneal Relaxing Incisions**  
*Randall J. Olson, MD*

**Chapter 12. Managing Coupling in Secondary Astigmatic Keratotomy**  
*James P. Gills, MD; J. James Rowsey, MD*

### Section III. Correcting Astigmatism with Toric Lenses

**Chapter 13. Toric Intraocular Lenses: History and Applications**  
*Harry B. Grabow, MD; Mana Tehrani, MD; and Nick Mamalis, MD*

**Chapter 14. Using the Toric Intraocular Lens in a Complete Astigmatism Management Program**  
*James P. Gills, MD; and Myra N. Cherchio, COMT*

**Chapter 15. The STAAR Toric Intraocular Lens: Indications and Pearls**  
*David F. Chang, MD*

**Chapter 16. Correction of Astigmatism With Customizable Foldable Toric Intraocular Lenses**  
*Gangolf Sauder, MD*

### Section IV. Managing Irregular Astigmatism

**Chapter 17. Correction of Irregular Astigmatism**  
*Maria Regina Chalita, MD; and Ronald R. Krueger, MD, MSE*

**Chapter 18. Management of Corneal Transplant Astigmatism**  
*James C. Hays, MD*

**Chapter 19. Reducing Post-Graft Astigmatism**  
*Miles Friedlander, MD; and Nicole S. Granet, BA*

**Chapter 20. Treating Keratoconus with Astigmatic Keratotomy and Intraocular Lenses: A New Approach**
Approach
J. James Rowsey, MD; James P. Gills, MD; and Pit Gills III, MD
