Patrick I. Okolo III, MD, MPH
Introduction

Chapter 1. The Changing World of Gastrointestinal Endoscopy

Chapter 2. Intravenous Moderate Sedation Guidelines
American Society of Anesthesiologists Classification
Definition of Moderate Sedation
Principles of Moderate Sedation
Definition of Deep Sedation
Principles of Deep Sedation
Actions, Dosages, and Side Effects of Commonly Used Intravenous Moderate Sedation Drugs

Chapter 3. Cleaning and Disinfecting Endoscopy Equipment

Chapter 4. Pre-existing Medical Conditions and Endoscopy
Diabetes Mellitus
Coagulopathy
Hypertension
Congestive Heart Failure
Cardiac Arrhythmia
Pulmonary Insufficiency
Renal Insufficiency

Chapter 5. Diagnostic and Therapeutic Endoscopic Procedures
Diagnostic Esophagastroduodenoscopy
EGD With Dilation for Esophageal Strictures
Full Thickness Fundoplication
Endoluminal Gastric Plication
EGD for Hemostasis in Patients With Upper Gastrointestinal Bleeding
EGD With Cryoablation
EGD With Polypectomy
Laser Therapy in the Upper Gastrointestinal Tract
EGD With Esophageal Stent Placement
Endoscopic Ultrasonography
EUS With Fine Needle Aspiration
Percutaneous Endoscopic Gastrostomy Tube Placement
Percutaneous Endoscopic Jejunostomy Tube Placement
Endoscopic Nasoenteric Tube Placement
Photodynamic Therapy
Botulinum Toxin Injection in the Upper Gastrointestinal Tract
Chromoendoscopy
EGD With Narrow Band Imaging
Confocal Laser Endomicroscopy
Endoscopic Mucosal Resection
Enteroscopy
Enteric Stent Placement
Diagnostic Colonoscopy
Colonoscopy for Hemostasis
Colonoscopy With Polypectomy
Colonoscopy With Dilation
Diagnostic Sigmoidoscopy
Sigmoidoscopy With Infrared Coagulation
Anal Dilation With Hagar Dilators
Endoscopic Retrograde Cholangiopancreatography
ERCP With Sphincterotomy
ERCP With Stone Extraction
ERCP With Biliary Dilation
ERCP With Stent Placement
Endoscopic Pancreatic Pseudocyst Drainage
Biliary Manometry
Mini-Laparoscopic Liver Biopsy
Esophageal Motility Studies
24-Hour pH Monitoring
Bravo pH Probe Placement
Capsule Endoscopy
Acid Perfusion Test (Bernstein Test)
Basal Acid Output Test
Secretin Stimulation Study

Bibliography

Appendix 1. Patient Preparation for Endoscopic Procedures
Appendix 2. Complications of Endoscopic Procedures
Appendix 3. Discharge Instructions for Endoscopic Procedures
Appendix 4. OSHA Guidelines for Cleaning Room Air Quality
Appendix 5. Equipment Manufacturers
Appendix 6. Web Resources
