# Table of Contents

Chapter 1: The Immune Response to Transplanted Organs  
William M. Baldwin III, Anna Valujskikh, Peter N. Lalli and Robert L. Fairchild

Chapter 2: The Histocompatibility Laboratory In Clinical Transplantation  
Diane J. Pidwell, Ph.D. and Peter N. Lalli, Ph.D.

Chapter 3: Immunosuppressive Therapy In Kidney And Pancreas Transplantation  
George Thomas, MD, Saul Nurko, MD, Titte R. Srinivas, MD

Chapter 4: Clinical Pharmacologic Principles and Immunosuppression  
Patricia West-Thieleke, PharmD, BCPS, Bruce Kaplan M.D.

Chapter 5: Pathology of Kidney and Pancreas Transplantation  
Lillian Gaber, M.D., Byron P. Croker, M.D., Ph.D.

Chapter 6: Design, Conduct, and Report of Clinical Trials of Immunosuppressive Regimens in Solid Organ Transplantation  
Agnes Costello and D. Scott Batty

Chapter 7: Outcomes of Kidney and Pancreas Transplantation  
Titte R Srinivas, Herwig-Ulf Meier-Kriesche, Jesse D. Schold

Chapter 8: Medical And Surgical Evaluation Of The Adult Kidney Transplant Candidate  
Richard A. Fatica, Stuart M. Flechner, Titte R Srinivas

Chapter 9: Selection and Preparation of the Pancreas Transplant Recipient  
Ho-Yee Tiong, M.D., Venkatesh Krishnamurthi M.D

Chapter 10: Kidney Transplant Recipient Surgery  
Daniel A Shoskes, M.D., M.Sc., FRCS (C)

Chapter 11: Issues and Surgical Techniques to Expand the Pool of Kidneys Available for Transplantation  
Charles S. Modlin, III, Charles S. Modlin, Jr.

Chapter 12: Pancreas Transplantation: Surgical Techniques  
Alvin C. Wee, M.D., Venkatesh Krishnamurthi, M.D.

Chapter 13: Laparoscopic Living Kidney Donation  
Wesley M. White, M.D, Jihad H. Kaouk, M.D.

Chapter 14: Perioperative and Anesthetic Management in Kidney and Pancreas Transplantation Management  
Jerome F. O’Hara, Jr., MD and Samuel A. Irefin, MD

Chapter 15: Surgical Complications After Kidney Transplantation  
Stuart M. Flechner MD FACS

Chapter 16: Urological Complications after Kidney Transplantation  
Islam A. Ghoneim MD, PhD, Daniel A. Shoskes MD, MSc, FRCS

Chapter 17: Medical Management of Kidney Transplant Recipients  
Vidya Vootukuru, MD, Brian Stephany, MD

Chapter 18: Infectious Complications: Prevention and Management  
Robin K. Avery MD, Michelle Lard CNP, Titte R Srinivas, M.D

Chapter 19: Living Kidney Donation: Pre- and Post-Donation Evaluation and Management  
Jonathan Taliercio, D.O. and Emilio D. Poggio, M.D.

Chapter 20: Psychology, Quality of Life and Rehabilitation after Kidney and Pancreas Transplantation  
Kathy L. Koffman, MD, FAPM

Chapter 21: Kidney Allocation System for Deceased Donor Kidneys in the United States  
Islam A. Ghoneim MD, PhD, David A. Goldfarb, MD

Chapter 22: Ethics of Transplantation  
David A. Goldfarb, MD, Jerome O’Hara, Jr., MD

Chapter 23: Long-Term (20-40 Years) Renal Transplant Outcomes  
Braun W.E., Navaneethan S., Protiva D.

Chapter 24: Quantitative Aspects of Clinical Reasoning: Measuring Endpoints and Performance  
Jesse D. Schold, PhD

Chapter 25: The Business of Transplantation  
Art Thomson, M.A.
