**Introduction**

1. **Etiologies of Painful Spinal Disorders**, Christopher W. Huston and S. Ashley McCowen,

**PART I LUMBOSACRAL SPINE:**

2. **Pathophysiology of Painful Lumbosacral Spine Disorders**, Lars G. Gilbertson and Manuel Fanor Saavedra,

**Section A Axial Low Back Pain:**

3. **Mechanical Assessment of Axial Lumbosacral Pain**, Stephen May and Ron Donelson,

**Internal Disc Disruption (IDD):**

4. **Diagnostic Imaging of Lumbosacral Internal Disc Disruption**, Paul E. Verrills, Nikolai Bogduk, and David G. Vivian,

5. **Provocation and Analgesic Discography Evaluation of Lumbosacral Internal Disc Disruption**, Kevin Pauza,

6. **Epidural Steroids for Lumbosacral Internal Disc Disruption**, Omar El Abd and Michael J. DePalma,

7. **Intradiscal Heating Procedures for Lumbosacral Internal Disc Disruption**, Leonardo Kapural,

8. **Intradiscal Biologic Agents for Lumbosacral Internal Disc Disruption**, Rajeev K. Patel,

**Facet Joint Dysfunction:**

9. **Diagnostic Imaging of Painful Lumbar Facet Joints**, Matthew Smuck and Divya Agrawal,

10. **Diagnostic Blockade of Symptomatic Lumbar Facet Joints**, Venu Akuthota and Rachel Brakke Holman,

11. **Therapeutic Intra-Articular Lumbar Facet Joint Injections**, Michael B. Furman and Justin J. Petrolla,

12. **Radiofrequency Denervation for Lumbar Facet Joint Pain**, Frank J. E. Falco and Stephanie Geffert,

**Sacroiliac Joint Dysfunction:**

13. **Diagnostic Imaging of Painful Sacroiliac Joints**, Joseph D. Fortin, Sayed E. Wahezi, Douglas Mintz, and Anthony Chang,

14. **Diagnostic Blockade of Symptomatic Sacroiliac Joints**, Jean-Yves Maigne,

15. **Therapeutic Intra-Articular Injections for Painful Sacroiliac Joints**, Amish R. Patel,

16. **Neuroablative Techniques for Sacroiliac Joint Pain**, Anita Gupta and Steven P. Cohen,

**Unique Conditions:**

17. **Midline Posterior Element Disorders**, Sarah Knievelv and Tim Lamer,

18. **Fusion Hardware Mediated Low Back Pain**, Amit Bhargava,

19. **Lumbosacral Spine Disorders in the Young Athlete**, Joshua A. Thomas, Jared S. Greenberg, and Larry H. Chou,

**Section B Radiculopathy/Radicular Pain:**

20. **An Algorithmic Approach to Lumbosacral Radiculopathy**, Philip Tasca,

21. **Diagnostic Imaging of Lumbosacral Radiculopathy**, Massimo Gallucci, Nicola Limbucci, and Fabrizio Fasano,

22. **Electrodiagnostic Evaluation of Lumbosacral Radiculopathy**, Jeff Strakowski and Ernest W. Johnson,

23. **Epidural Steroid Instillation for Lumbosacral Radiculopathy**, Thomas R. Saullo, Stefan C. Muzin, John C. Keel, and Gregory E. Lutz,

24. **Therapeutic Intradiscal Procedures for Lumbosacral Radiculopathy**, Giuseppe Bonaldi and Alessandro Cianfoni,

25. **Neuromodulation for Lumbosacral Radicular Pain**, Timothy Deer, Jonathan Carlson, and Patrick W. Hogan,

**Section C Functional Restoration and Biomechanics:**

26. **Functional Restoration of Painful Lumbar Spinal Disorders**, Michael C. Geraci, Jr. and Stuart M. McGill,

27. **Biomechanical Principles for Reducing Low Back Pain**, Sue A. Ferguson and William S. Marras,
PART II CERVICAL SPINE:

28. Pathophysiology of Painful Cervical Spine Disorders, David G. Vivian and Paul E. Verrills,
Section A Axial Neck Pain:

29. Algorithmic Approach to Cervical Axial Pain, David W. Chow, Gwendolen Jull, and Curtis W. Slipman,

Discogenic Neck Pain:

Section B Facet Joint Pain:

Section B Radiculopathy/Radicular Pain:

Section C Functional Restoration:

44. Functional Rehabilitation of Painful Cervical Spinal Disorders, David J. Kennedy, Christopher J. Visco, and Joel Press,

PART III OSTEOPOROTIC SPINE AND PELVIS:

45. Biomechanics and Pathophysiology of the Osteoporotic Spine and Pelvis, Mark Makumbi Kayanja,

Section A Spinal and Pelvic Fractures:

Section B Osteoporotic Spine Care:

49. Functional Restoration of the Osteoporotic Patient, Peter E. Pidcoe
